

Nursing Program Outcomes

Achievement of the following outcomes will evaluate and measure the effectiveness of the LCC nursing program:

- Following admission to the nursing program (enrollment into the first nursing course), students will complete all course requirements within three years
- Program passage rate on the NCLEX-RN will be at or above the national average.
- 90% of student evaluations will report an effective or higher rating
- 90% of graduates who seek employment will be employed within six months of graduation.
- 90% of employers will report an effective or higher rating on the 1-year survey for program graduates whom they have employed
