LAMAR COMMUNITY COLLEGE

SERVICE AREA SCHOLARSHIP APPLICATION

The LCC Service Area Scholarship is available to all graduating seniors in LCC's service area and/or at SE BOCES district schools and has no minimum GPA requirement. To be considered for this scholarship you must have completed an LCC Application for Admission for the 2012 fall semester and have submitted a FAFSA by April 15th. This one-year scholarship pays **$500.00 per semester** (fall/spring) towards in-state tuition for full-time students, based on 2012-2013 continued college funding levels. If the student qualifies for grant aid, the amount of the LCC Service Area scholarship may be reduced so that the combination of grant funding does not exceed the cost of tuition per semester. The Service Area Scholarship will be applied after federal and state grants and prior to any loans. Once enrolled at LCC, students must maintain a 2.0 or higher GPA. ASCENT students may qualify for Service Area Scholarships after completing their fifth year; applications should be submitted the spring of fifth year.

For more information, please contact Brenda Brown at 719.336.1580.

APPLICATION DEADLINE: Please submit application to your high school counselor/administrator for priority consideration by **April 15.**
