Of
LAMAR COMMUNITY COLLEGE

IT IS THE VISION OF THE “RUNNIN’ LOPES BOOSTER CLUB” TO ACCOMPLISH OUR MISSION AS IT IS STATED, BY THE FOLLOWING MEASURES:

PROMOTION. We must accept the responsibility in raising the positive awareness of our college, its programs and students in the most constructive manner possible.

COMMUNICATION. It is understood that information exchange between officers, members, school administration, coaches, student body, media resources, parents, and our community is vital to our mission.

FUND RAISING. Our goal is to plan profitable fund-raising programs throughout the year to help fund the programs of Lamar Community College, without infringing upon existing successful fund-raising practices or raising legal and/or administrative policy issues.

COMMUNITY INVOLVEMENT. We shall strive to raise the priority levels of the College athletic programs as well as booster club events, in the minds of our community members.

COLLEGE ADMINISTRATION AND STUDENT INVOLVEMENT. Our success is dependent upon working within the policies of College Administration and the student body.

SOUND BUSINESS AND FINANCIAL PROCEDURES. It is vital to our success and survival that we operate within strict fiscal and procedural guidelines by (1) Creating and closely following an approved policies and procedures statement, and (2) Establishing a responsible precise accounting system.
