LAMAR COMMUNITY COLLEGE
RUNNIN' LOPES BOOSTER CLUB

Our Mission:
*“To support Lamar Community College
through its athletic programs.”*

LAMAR COMMUNITY COLLEGE is the college of choice for several hundred students from Southeast Colorado, across the nation, and around the globe.

These students, their families and visitors pour thousands of dollars into Southeast Colorado communities every month. Students, their families, and visiting athletic teams spend their money in our stores, restaurants, motels, fuel stations, and other businesses throughout our area. Students involved in athletic, rodeo and academic programs represent us nationwide in many events during each school year.

The College is an important economic driver in Southeast Colorado and provides professional-level jobs to many members our community.

Through these challenging economic times and beyond, there is a continuing need for our communities to keep our College strong and “give back” to its students and faculty through the LCC Foundation and by supporting its athletic and academic programs, through our attendance and contributions.

LCC Athletics include Baseball, Men’s and Women’s Basketball, Golf, Softball, Rodeo and Volleyball. While most LCC sports compete in Region IX (Division I) of the National Junior College Athletic Association (NJCAA), the rodeo team is unique in that it is a member of the National Intercollegiate Rodeo Association (NIRA), Central Rocky Mountain Region. Team members compete against athletes from other two-year and four-year colleges for regional and national honors.

It is the goal of the **RUNNIN’ LOPES BOOSTER CLUB** to encourage community & college collaboration and by highlighting and advancing LCC’s athletic programs. We plan to have a number of membership events, meetings, and fund raisers throughout the year.

WHO WE ASSIST

ABOUT OUR CLUB

THE RUNNIN’ LOPES BOOSTER CLUB is a non-profit organization created by fans and supporters of our College.

All proceeds from the Club will go directly to LCC for athletic scholarships and expenses and benefit *all* sports. LCC’s administration is grateful for the Booster Club’s promotion of and assistance to LCC Athletics.

As the Booster Club grows, we hope that many individual and business memberships will provide this support for many years in the future.

***PLEASE GIVE US YOUR
SUPPORT FOR THE
UPCOMING ACADEMIC YEAR.***
