

## **Lamar Community College Runnin' Lopes Baseball Wade Parker Memorial Scholarship**

The Wade Parker Memorial Scholarships were created in honor of Wade Parker, a former Runnin' Lope baseball player and one of 19 firefighters killed on June 30, 2013 while fighting the Yarnell Hill (AZ) Fire. All 19 were from the Granite Mountain Hotshots, an elite 20-member wildland firefighting crew. What made Parker stand out on the Runnin' Lopes and in firefighting was his commitment to his faith. Despite this tragedy his example will live on at LCC.

With continued support from Crop Risk Advisors of Lamar and the community, two \$2,000 Wade Parker Memorial Scholarships will be awarded to LCC baseball players each year (\$1,000 for fall and spring semesters; scholarships are renewable).

Applicants must illustrate the traits that made Wade unforgettable, including exceptional baseball talent, academic excellence, and community involvement. Most importantly, recipients must have a faith that makes them spiritual team leaders on and off the field. Applicants/recipients must:

- Be full-time LCC students and members in good standing on the Runnin' Lopes baseball team.
- Recipients will be selected based on baseball talent, academic excellence, community involvement, demonstrated faith, and strength of character.
- Include a cover letter and other materials that explain and confirm their qualifications with the attached application.

For more information on Wade Parker, read "[Can One Young Hotshot Impact the World for Christ?](#)" available on the Assemblies of God website.

Scholarship contributions are held by the Lamar Community College Foundation for distribution.

***Application Deadline: July 31, 2014.***
